

## Your future at your fingertips: cooperative, international, global Software Developer (m/f/x)

MIC is leading worldwide in the automation of global customs and trade compliance processes. With our software solutions, we ensure safe and efficient customs clearance within the legal frameworks for more than 700 customers - like VW, Zalando, IKEA, Panasonic - on 6 continents.

Is it your passion to create software solutions and maintain business software? Do you prefer working in an international company?  
- Then we do have that suitable position for you:

### Your job

- 🌐 As part of the support department, you are responsible for developing requirements (e.g., based on Change Requests) and product maintenance (e.g., modifying software out of the problem management) in MIC software modules
- 🌐 As a Software Developer, you take responsibility for the quality of work produced and collaborate with other team members in implementing, testing, reviewing, and documenting software
- 🌐 You are analyzing, designing, and implementing requirements and maintaining software based on bug reports as well as bug fixing and refactoring
- 🌐 Testing new/changed software (unit-/integration and system tests), and participating in software documentation is part of your job
- 🌐 You are ensuring that non-functional requirements (usability, performance, etc.) are met and performing root cause analysis of customer issues with the support team (3rd level)
- 🌐 Maintaining and improving builds and continuous integration is also part of your job

### Your skills and qualifications

- 🌐 4-year undergraduate degree (IT, engineering, or mathematics with focus on IT applications)
- 🌐 Minimum 3 years relevant programming experience
- 🌐 Familiar with Java, PLSQL and SQL, Oracle database
- 🌐 Understanding of software design and architecture
- 🌐 Good communication skills
- 🌐 Team Player with strong analytical skills
- 🌐 Ability to work independently and well structured, pro-active work style
- 🌐 Thai (mother tongue), English (written & spoken)

### We offer you

- 🌐 Privately owned, stably growing company with HQ in Linz/Austria
- 🌐 World market leader with 9 offices on 3 continents
- 🌐 Cooperative, appreciative and respectful teamwork
- 🌐 International context with multinational customers
- 🌐 Professional on-boarding, MIC Academy training
- 🌐 Individual career paths
- 🌐 State-of-the-art work environment and approach: Scrum, Kanban, Pair-Programming, Coding Dojos, etc...
- 🌐 Various benefits: Health insurance/medical plan, bonus payment, provident fund, annual leave, public holidays, grant for sports activities
