

Your future at your fingertips: cooperative, international, global Senior Software Engineer (m/f/x)

MIC is leading worldwide in the automation of global customs and trade compliance processes. With our software solutions, we ensure safe and efficient customs clearance within the legal frameworks for more than 700 customers - like VW, Zalando, IKEA, Panasonic - on 6 continents.

Is it your passion to create software solutions and maintain business software? Do you prefer working in an international company?
- Then we do have that suitable position for you:

Your job

- 🌐 As part of an agile product team, you are responsible for developing requirements and product maintenance (e.g., analysis of bug reports and bug fixing, refactoring) in MIC software modules
- 🌐 As a Senior Software Engineer, you take responsibility for the quality of work produced and collaborate with other team members in implementing, testing, reviewing, and documenting software
- 🌐 You are analyzing, designing, and implementing requirements and maintaining software
- 🌐 Testing new/changed software, creating unit-/integration- and system-tests, and participating in software documentation is also part of your job
- 🌐 You are ensuring that non-functional requirements (usability, performance, etc.) are met
- 🌐 You are continuously improving development and quality assurance activities in collaboration with other agile teams in Sprint meetings

Your skills and qualifications

- 🌐 Degree in computer science or IT
- 🌐 Minimum 3 years relevant programming experience
- 🌐 Familiar with Java, PLSQL and SQL; Oracle database is an advantage
- 🌐 Understanding of software design and architecture
- 🌐 Experience with agile software development is a plus
- 🌐 Good communication skills
- 🌐 Team Player with strong analytical skills
- 🌐 Ability to work independently and well structured, pro-active work style
- 🌐 Spanish (mother tongue)
- 🌐 Proven English skills (written & spoken)

We offer you

- 🌐 Privately owned, stably growing company with HQ in Linz/Austria
- 🌐 World market leader with 11 offices on 3 continents
- 🌐 Cooperative, appreciative and respectful teamwork
- 🌐 International context with multinational customers
- 🌐 Professional on-boarding, MIC Academy training
- 🌐 Individual career paths
- 🌐 Various benefits: Aguinaldo (30 days Christmas bonus), Vale Despensa, life insurance, supplemental medical insurance, 15 days vacation, possibility for on-site-training in Austria
