

COLLABORATE, COOPERATE, CO-CREATE

WITH WORLD-LEADING EXPERTS

IT Project Manager (m/f/x)

As a privately owned and continuously growing company, MIC is the worldwide leader in customs and trade compliance software solutions. More than 800 customers, in 55+ countries, on six continents, use MIC.

Grow with us and make a difference with your expertise! Embrace our unique internationality and contribute to our innovative GTM solutions to shaping the future of global trade!

Your mission

- Managing and executing the project through its entire life cycle in time, scope, budget, and quality according to CMMI guidelines
- Monitoring the project and identifying upcoming changes in time, scope or budget
- Responsibility of the change request process from the first specification to the hand over to support
- Defining specifications of gaps, as a basis for the Software Developers (creating user stories, Jira tickets) and prioritizing together with them
- Configuration of our software according to our customers' needs and coordination of release or patch upgrades during the project
- Creating, executing and documenting test cases together with the customer
- Ensure effective collaboration and clear communication throughout the project lifecycle, keeping all stakeholders informed and accountable

Your skills and qualifications

- Completed education in IT and very good IT project management skills developed by several years of practical experience in IT project management
- A profound understanding of relational databases, SQL statements
- Good knowledge of object-oriented programming languages (Java)
- Proactive, analytical and structured way of working

- Technical affinity, hands-on attitude during the project life cycle
- Fluent in English and German
- Openness for business travel (max. 10%) and international cultures

We offer you

- Cooperative, appreciative and respectful culture
- International context with global players
- Professional onboarding: Personal training plan and mentoring
- Individual development and career opportunities (MIC Academy)
- Employee bonus and various benefits

Compensation

We are legally obliged to disclose the minimum salary for this position, which is € 55.300,- gross per year (full-time: 38,5h/week). We offer a higher salary in line with your qualifications and experience.
